**Tentative - date may change based on the number of emergency closings.

Proposed schedule for make-up days due to emergency closings:

If more days need to be added to the calendar due to snow or other emergency closings, they will be added in the following order: June 13, 14, 15, 18, 19, 20, 21, 22. If by April 1, 2012 more days are needed, then school will be in session April 13, then April 12. If, after taking these days, additional days are needed, school will be in session June 25, 26, 27, 28, then 29.

NOTE: If a **delayed opening** should occur on a day scheduled for a shortened session, early dismissal is cancelled. Accordingly, the 2:30 p.m. dismissal will be in effect.

Any emergency closings will be rescheduled at the discretion of the Board of Education. These make-up days may occur during holiday recesses or may be added to the end of the school year. If necessary, weekends may be utilized to comply with state attendance requirements. Vacations scheduled during recess periods or in June are made at the individual's risk.
