- Thursday, October 19, 2023

The **Franklin Borough School Board of Education** needs all hands on deck to create a new, five-year **Strategic Plan** for our school district!

Help Franklin Borough School reach new heights as together we discuss the outcomes of our most recent Strategic Plan, the current climate of our district, the challenges we face, our vision for the future, and goals for the district over the next five years.

**Join us for our ninety-minute Strategic Planning sessions.** You'll interact with different **stakeholders from across our community** as **we work together** to create a document that will guide the Board of Education in its decision-making through 2029. All interested members of our community are welcome to attend all or any of the meetings listed above.

We look forward to working with you!
